Verse: x2

Hey baby I'm talking to you, stop yourself and listen,  
Somethings you can never never choose even if you will try, yeah.  
You're banging your head again, 'cause somebody won't let you in,  
One chance, one love, your chance to let me know.

The song fades out with that, if you want to do a live ending, just finish on the Bb.

I recommend that you listen to the song to get the strum patterns for the power chords down.

Enjoy Nancy and the rest of Heart!
