[Verse 1]

Right now I feel, ... a lack of innocence  
Searching for reveal, ... hypnotonic resonance  
But I feel, ... not much of anything  
And the cause is life or death

Don't allow for the hopelessness, focus on your focusness  
I've been hopin' and I hope that lasts  
I don't know anything, I question everything  
This life I love is going way too fast

Both my hands are swollen, my face is broken  
And I'm hopin' that I hurt your  
Hopin' that I hurt your  
Hopin' that I hurt your, ...  
Fist

[Verse]

She was a stunner and I am stunned  
The first thought and second thought was could be the one  
I was a prisoner, her keys and her cuffs  
Yeh, I was feeling fortunate to be locked up

But the world kept a spinning,  
Always felt like it was ending  
And love notwithstanding,  
We are each of us fucked!
