I can't believe how much crap is posted on this cool site. Listen first of all you bunch have to tune down yo' gitarz 1 and 1/2 Step. That means that after ur dunn doing this the strings should be tuned this way: C# - F# - B- E- G# - C ! OK. here is the Rollin' Version fo' dummies(look for the lyrics at www.homestead.com/wfsjl/tabs.html):

```
e|-----|
B|-----|
